Recitals

- First. Declarant owns the fee simple title to the land in the Subdivision.
- Second. Declarant desires to carry out and have maintained a uniform plan for the use and improvement of the Subdivision, and Declarant has therefore created the covenants, conditions and restrictions, whether mandatory, prohibitive, permissive, or administrative (collectively called the "Restrictions") to run with the land making up the Subdivision and to regulate the structural integrity, appearance and use of the lots owned by Declarant and depicted upon the plats of the Subdivision and the improvements to be placed on such lots.

- Third. Declarant has no knowledge of the availability of any public or private water, sewer or other utility provider that serves or will serve the Subdivision.

Each Owner of a Lot is responsible for, at each Owner's sole cost and expense, acquiring from third parties any water, sewer, or other utility service that an Owner desires.

The installation of any water, sewer or other type of utility system must be done in a good and workmanlike manner approved by the ACC and comply with all local, state, and federal regulations and laws.

- Fourth. The Restrictions are entitled to run with the land comprising the Subdivision because: (i) the Restrictions touch and concern such land by, among other things, benefitting and controlling the use of such land; (ii) privity of estate exists among all of the land in the Subdivision by reason of the Declarant holding legal and equitable title to the land out of which the land shall be conveyed subject to the Restrictions; (iii) notice is given of the Restrictions contained herein when this instrument is filed in the Real Property Records in Polk County, Texas, being the county in which the Subdivision is situated; and (iv) the Restrictions are reasonable in light of their purpose, being for the common benefit of all of the land owners in the Subdivision, in order to reduce uncertainty in living conditions and to encourage investment in the Subdivision.

- Fifth. The Restrictions shall run with the land owned by Declarant in the Subdivision and shall be binding upon and inure to the benefit of the Declarant, as well as the Declarant's successors and assigns; further, each person or entity, by acceptance of title, legal or equitable, to any portion of the Subdivision, shall abide by and

perform the Restrictions and the other terms hereof. In the event of the failure of any contract and/or deed to any portion of such land out of the Subdivision to refer to this instrument, the Restrictions and other terms of this instrument shall nevertheless be considered a part thereof, and any conveyance of such land shall be construed to be subject to the Restrictions and other terms hereof. It is understood and agreed that these Restrictions relate to and affect only the Subdivision as described above and no other land owned by Declarant adjacent thereto and/or in the vicinity thereof, and that the only Restrictions are those expressed in this instrument, and no other restrictive covenants are to be implied.

Furthermore, the Restrictions shall apply solely to the Lots and nothing contained herein shall imply that the Restrictions apply to any areas shown upon the Plat and designated as a "Reserve". Furthermore, no other lands of Declarant shall be subject to the Restrictions applicable to the Subdivision, and no restrictions, covenants or conditions shall be created hereby with respect to any such Reserve areas, and any other lands owned by Declarant, whether by negative implication or otherwise. In addition to the provisions above, Declarant specifically reserves and retains the right to cut merchantable timber on any lands owned by Declarant adjacent to and/or within the vicinity of the Subdivision, as well as use such other lands as Declarant or the successors or assigns of Declarant may deem appropriate, even if such usage differs from the terms permitted by these Restrictions.

Such Bulletins shall supplement these Restrictions and are incorporated herein by reference and shall be furnished to each Lot owner upon request.

The Assessments, together with such interest thereon, reasonable attorney's fees and costs of collection thereof, as are herein provided, shall be a charge on the Lot and shall be a continuing lien upon the Lot or Lots against which each such Assessment is made. Each such assessment, together with such interest thereon, reasonable attorney's fees and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person or entity who was the owner of such Lot at the time the obligation accrued.

3. *Use of Assessments.* The Assessments levied by the Association shall be used for upgrading, repairing and/or maintaining streets and installing, acquiring, maintaining, repairing and up keeping improvements and/or facilities of the Association or the Subdivision (such as paying electricity charges of street lights), as well as for the purpose of promoting the recreation, health, safety and welfare of the lot owners, and in particular, for the improvement, maintenance and operation of the Subdivision, including the Common Area, as well as services and facilities devoted to this purpose and related to the use and enjoyment of the Subdivision by the lot owners.

4. *Creation of Lien.* Each and every Assessment or charge including but not limited to the Annual Maintenance Charge contained in this part G are secured by a continuing vendor's lien on each Lot, which lien is reserved by Declarant and hereby assigned to the Association. By acceptance of a deed to a Lot, each Owner grants the lien, together with the power of sale, to the Association to secure Assessments and charges. Each lot owner, by his, her or its acceptance of a deed to a Lot, hereby expressly vests in the Association, or its agents, the right and power to bring all actions against such lot owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including non-judicial or judicial foreclosure by an action brought in the name of the Association, and grants to the Association the power of sale in connection with said lien. The President of the Board of Directors shall have the right to appoint one or more agents, to mail and file the notices required by Texas Property Code § 51.002 (as well as any other applicable section of the Texas Property Code or other applicable laws), to conduct the sale, and to otherwise comply with the applicable statute(s). The annual budget shall be adopted by the Board of Directors at least thirty (30) days prior to the commencement of each calendar year.

7. *Member Charge.* In addition to the annual assessment and any special assessment, the Association, by a majority vote of the Board of Directors, may impose a charge (Member Charge) upon any lot owner for the purposes of reimbursing the Association for all direct and indirect costs incurred by the Association with regard to the maintenance, repair or replacement of landscaping or site improvements on any particular lot when the Board of Directors has determined the maintenance, repair or replacement of improvements associated with such owner's lot has been neglected to the point where conditions existing on such lot are not in conformance with the maintenance obligations set forth in these Restrictions. The owner of such lot shall be notified in writing of said determination and the specific deficiencies found to exist and shall be afforded a reasonable period of time to respond to said notice by correcting the deficiencies. 8. *Fines.* The Board may levy a fine against an Owner for a violation of the Dedicatory Instruments as permitted by law.

9. *Subordination of Lien to Mortgages.* The lien granted and reserved to the Association is subordinate to the vendor's lien and the lien granted by an Owner against a Lot not prohibited by the Texas Constitution. The lien of the assessments provided for herein shall be subordinate to the lien or liens of any mortgage or mortgages now or hereafter placed upon the lot or lots subject to assessment, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale or transfer of such lot or lots pursuant to a decree of foreclosure, non-judicial foreclosure, or conveyance in lieu of foreclosure or in satisfaction of mortgage debt. Such sale or transfer shall not relieve such lot or lots from liability for any assessments thereafter becoming due nor from the lien of any such subsequent assessment.

10. *Notice of Lien.* Notice of the lien may be given, but is not required, by the recordation in the Real Property Records of Polk County, Texas of an Affidavit of Delinquent and Notice of Assessment Lien, duly executed by an officer, managing agent, attorney or officer of the Association, setting forth the amount owed, the name of the last known lot owner or owners of record, and the legal description of the lot.

1. *Term.* This Declaration and Restrictions set forth herein shall continue and be binding upon Owner and Owner's successors and assigns for a period of fifty (50) years ("Primary Term") from the date of this instrument, unless terminated or amended. At the expiration of the Primary Term, these Restrictions shall automatically be extended for an additional twenty (20) year period ("Extension Term") and for successive twenty (20) year periods of the Extension Term thereafter, unless terminated or amended. After the expiration of the Primary Term, the owners of seventy-five per cent (75%) of the lots may execute and acknowledge an agreement in writing terminating or revising the terms of this instrument and file the same in the Real Property Records of Polk County, Texas, or in such office as conveyance of real estate then may be required to be filed, and then and thereafter the Restrictions set forth in this instrument shall be null, void and of no further force and effect, or shall be modified as such recorded instrument may direct.

2. *No Waiver.* Failure by the Association or an Owner to enforce the Dedicatory Instruments is not a waiver. No waiver or consent, express or implied, by any lot owner to or of any breach or default by any lot owner in the performance by such owner of the obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such lot owner of the same or any other obligations of such lot owner hereunder. Failure on the part of a lot owner to complain of any act of any other lot owner or to declare any lot owner in default, irrespective of how long such failure continues, shall not constitute a waiver by such owner of the rights hereunder until the applicable statute of limitation period has run.

3. *Corrections.* The Board may correct typographical or grammatical errors, ambiguities, or inconsistencies contained in this Declaration, provided that any correction must not impair or affect a vested property right of any Owner.

4. *Amendment.* This Declaration may be amended as follows:

a. By Declarant. Declarant, during the Development Period, reserves the sole and exclusive right, without joinder or consent of the Association or any Owner, to (i) amend, restate, modify or repeal, this Declaration and other dedicatory instruments; (ii) amend, revise, modify or vacate any one or more of the Plats; and (iii) annex and subject any other property to the scheme of this Declaration, provided that any annexation is not inconsistent with the scheme of the Subdivision. However, this Declaration or other dedicatory instrument of the Subdivision may not be amended during the period of time between which Declarant loses the majority of voting rights and the time a new Board of Directors of the Association, consisting of Owners assume office.

b. By Owners. Following the expiration of the Development Period, this

Declaration may be amended or restated by the written agreement or by signed ballots voting for such of not less than sixty-seven percent (67%) of all of the Owners in the Subdivision. There shall be one (1) vote per Lot. Anyone owning more than one Lot shall have one vote for each Lot owned. Such amendment must be approved by said Owners within three hundred and sixty-five (365) days of the date the first Owner executes such amendment. Otherwise, such amendment shall fail. If the amendment is adopted it shall bind and affect all the Lots. The date an owner's signature is acknowledged shall constitute *prima facie* evidence of the date of execution and adoption of said amendment by such Owner. Those Members of the Board of Directors of the Association entitled to cast not less than sixty-seven percent (67%) of all of the votes of the Association may also vote to amend this Declaration, in person, or by proxy, at a meeting of the Members duly called for such purpose, written notice of which shall be given to all Owners at least ten (10) business days and not more than sixty (60) calendar days in advance and shall set forth the purpose of such meeting. Any such amendment shall become effective when an instrument is filed for record in the real property records of Polk County Texas, accompanied by a certificate, signed by a majority of the Board of Directors, stating that the required number of Owners voted in favor of the instrument amending this Declaration or cast a written vote, in person or by proxy, in favor of said amendment at the meeting called for such purpose.

- c. By the Association. The Board of Directors has the right in its sole judgment, from time to time, and at any time, to amend this Declaration without joinder of any Owner or Member for the following purposes:
- i. To resolve or clarify any ambiguity or conflicts herein, or to correct any inadvertent misstatements, errors, or omissions herein; or to confirm this Declaration to the requirements of any lending institution; provided, the Board has no obligation whatsoever to amend this Declaration in accordance with any such lending institution requirements and the Board may not so amend this Declaration if, in the sole opinion of the Board, any substantive and substantial rights of Owners would be adversely affected thereby; or
 - ii. To conform this Declaration to the requirements of any governmental agency including the Federal Home Loan Mortgage Corporation, Federal National Mortgage Agency, Veterans Administration, or Federal Housing Administration, and in this respect, the Board shall so amend this Declaration to the extent required by law upon receipt of written notice of such requirements and request for compliance; or
 - iii. To amend the Rule and Regulations of the Association, if the

Board deems appropriate to comply with the scheme of the Declaration and the Subdivision; and

- iv. To amend the alternative payment schedule for certain assessments, open records policy, records retention policy, and/or other policies to comply the Texas or federal law.
5. *Conflict.* This Declaration controls over the other Dedicatory Instruments.
6. *Severability.* If a provision of this Declaration is unenforceable for any reason, to the extent the unenforceability does not destroy the basis of the bargain among the parties, the unenforceability does not affect any other provision of this Declaration, and this Declaration is to be construed as if the unenforceable provision is not a part of the Declaration.
7. *Attorney's Fees.* Any party subject to this instrument who is the prevailing party in any proceeding, whether it is in negotiation, mediation, arbitration or litigation, against any other party brought under or in connection with this instrument or the subject matter hereof, shall be additionally entitled to recover all costs and reasonable attorney fees, and all other related expenses, including deposition costs, arbitrator and mediator fees, and travel and expert witness fees from the non-prevailing party.
8. *Binding Effect.* This instrument shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, representatives, successors and assigns where permitted by this instrument.
9. *Choice of Law.* This instrument shall be subject to and governed by the laws of the State of Texas. Each party hereby submits to the jurisdiction of the state and federal courts in the State of Texas and to venue in Polk County, Texas.
10. *Legal Construction.* In case any one or more of the provisions contained in this instrument shall for any reason be invalid, illegal or unenforceable in any respect, to the extent such invalidity or unenforceability does not destroy the basis of the bargain among the parties, such invalidity, illegality or unenforceability shall not affect any other provision hereof and this instrument shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. Whenever required by the context, as used in this instrument, the singular number shall include the plural and the neuter shall include the masculine or feminine gender, and vice versa. The Article and Section headings appearing in this instrument are for convenience of reference only and are not intended, to any extent or for any purpose, to limit or define the text of any Article or Section. This instrument shall not be construed more or less favorably between the parties by reason of authorship or origin of language.
11. *Notices.* All notices must be in writing and must be given as required or permitted by the Dedicatory Instruments or by law. Notice by mail is deemed delivered (whether actually received or not) two (2) days following the date the Notice was properly deposited with the United States Postal Service, addressed (a) to a Member, at the Member's last known address

according to the Property Owners Association's records, and (b) to the Property Owners Association, the Board, the ACC, or a managing agent at the Property Owners Association's principal office or another address designated in a notice to the Members. Unless otherwise required by law or the Dedicatory Instruments, actual notice, however delivered, is sufficient.

12. *Recitals.* Any recitals in this instrument are represented by the parties hereto to be accurate and constitute a part of the substantive agreement.

13. *Annexation of Additional Property.* At any time during the first fifteen (15) years following the date this instrument is recorded in the real property records of Polk County, Texas, Declarant reserves and retain the right, but not obligation), to add additional property owned by Declarant to be subject to this Declaration by recording in the real property records of Polk County, Texas an annexation agreement that will impose this Declaration and Covenants upon the property described in the annexation agreement. Following the expiration of such fifteen (15) year period, on written approval of the Board and not less than fifty-one percent (51%) of the Members at a meeting in accordance with the Bylaws, the owner of any property who desires to subject the property to this Declaration may record an annexation agreement that will impose this Declaration and the Covenants on that property.

14. *Time.* Time is of the essence. Unless otherwise specified, all references to "days" shall mean and refer to calendar days. Business days shall exclude all Saturdays, Sundays, and legal banking holidays in the State of Texas. In the event the date for performance of any obligation hereunder shall fall on a Saturday, Sunday or Texas legal banking holiday, then that obligation shall be performable on the next following regular business day.

15. *No Representations or Warranties.* No representation or warranties of any kind, express or implied, shall be deemed to have been given or made by the Declarant, the Association or its agents or employees in connection with any portion of the Subdivision, or any improvement thereon, its or their physical condition, compliance with applicable laws, fitness for intended use, or in connection with the sale, operation, maintenance, cost of maintenance, taxes, or regulation thereof, unless and except as specifically shall be set forth in writing.
